OBITUARY

DEAD MAN RAISED TO NEW LIFE

India, IND---On March 10, 2020

Sterry Ks spiritually passed away late at night on his bed in the Kochi, India. Sterry was born in Fort Kochi. Sterry became a devil worshiper, in Cochin city in the spiritual realm of spiritualism. He was a son of the dark side for five years and recruited many to "the religion." Sterry enjoyed dominating the spiritual realm against Christian, the church, and many other religions. His, Father was a mentalist and he became a devil worshipper. The devil: to kill, to steal, and to destroy many. But on the same night he "died" in his home, he was born again--raised up a new creation in Christ Jesus---and armed with a new commission: to destroy the works of the devil and expose him, so that many souls could be set free.

CHAPTER ONE

FALLEN INTO DARKNESS

*T*he First fight that, I am seeing, when I was Kid. I have a big family. “I Still, I remember that day, as a small kid watching a fight that my own family all were kicking my pappa and Mummy, My mother was pregnant.” “Someone is covering my eyes, someone is crying.”

“we moved to my mother's sister home.”

At the age of 6th , My Mother went to Oman for work It's so difficult to remember that dream, that I was falling into the darkness. My father was Drunk alchol and Dad would thrashed me on everyday, and I was crying every day, the silent pain, that no one can see and I have to face my sister, because she is a kid and she wants to see her mother. So I can't do anything how will I show my mother to my sister, My Mummy is not with us and there was no what's app or other video calls options and when she calls us I was seeing her like stranger and I was speechless to my sister.

At the age of 8th, I started facing the Problems in everyday and I always see the demons in My home as well as my room, where ever I go the demons are following me.

I need to share my Pains, I need to share My feelings but there was no one with me.

Sometimes I will think about Sucide at the age of 9th , because God doesn't Love me, I prayed I call everyone, But no answer's.

One day the devil came to my room, and the enemy said:I'm your Father and you are my son. The first dream that I saw that someone want's to talk with me. I was hearing the voice like a echo and the voice is coming so far from a cave. I was praying, I had recently lost my good dream's and happiness and I was felling lost, I decided that I would turn to God to find some peace. But there was no answers and One day in a human form and he came to talk with me and he gave me a box. In that box it was 3 ring and one bracelet.

VII

I put it on my hand and that was my 1st contract with the devil.

In a deep sleep, I saw a dream that I am praying my surprise when in the middle of my prayer I heard this little voice whispering “*I hear you*” I jumped up and I looked around, I was clearly alone and I could not locate the source of the voice, I decided that it was just a figment of my imagination and I continued to pray, five minutes later though whom the voice came stronger “*you shouldn’t be doing that.*”

It was right next to my ear so close that amid the hairs on my neck stand up and send shivers down my spine as I turned around I came face to face with a man, he was wearing a red dress and his hair was the darkest black that I have ever seen and his eyes the same.

I started screaming but at the same time I was confused by his beauty “Shh” he sat at putting his hand on my mouth “*do you want father to hear us*”

VIII

His touch was soothing and not threatening in any way, “who are you” I asked trying to find back the tears.

“I am the devil” he said the first unwanted oh I started trembling me fearing that this was the end of me, he moves closer as if reading my mind.

“don’t worry child I won’t hurt you, I’m not the one you should be afraid of I have come to love you as I have done with your generation.”

A sudden noise like whistling made his “stop talking him” and I could see fear in his eyes, I tried again to locate the source of the sound tent by the time I turned around to face his, he was gone.

I stayed there not moving trying to listen for what felt like hours, I was sure that I was going crazy and I heard the whisper again,

“My child be careful”

IX

Then suddenly I saw a tv in front of me. Its was showing me about the things, that I get angry.

Then he came again and I said to him: *“Will you help me to attack these peoples.”*

All I need the powers and Love And he said; *“my son I told you that I was waiting for you, this is the magical world and you can do anything what ever you want.”* Then he said: *“your grand grand father was my son and now he is with me. I called your grand father but he didn't accept me. I called your father he accepts but last he cheated me, now it's yours time, take that place, Put this on and no more can demons attacks in you, this angels will help you, do not fear, he said: I'm your dad.”*

My first contract with the devil, when I put it on.

XI

On the next day I started running to the field behind me, I was losing it the tears came and asked to come to my fate, I turned around to face him as I could feel he had followed me.

“what do you want from me here” I screamed at him, he looked at me with that deep sadness in his eyes and he came close and he said;

“I want you to hear me out child, I want to protect you”

I am running out of time and you have to help me here, I was lost for words but to somehow mastered the courage to reply me help you aren't you supposed to be all-powerful and um evil, aren't you the devil.

He came next to me and this time he smiled he said: *“my lovely child yes I was powerful once and but evil never”*

I asked for the name I kind of hate it you,
“you can call me Lucifer or dad.”

XII

Somewhere in the distance whistling was
hired, I tried to speak but he cut me off
*“Child you have to understand that’s what
you know is all wrong the world is in danger
you have been taught so many lies, you have
been decided I am not the one that you should
be afraid of I am not the one that is going to
hurt you, what I was God once.”* That I
started laughing, I laughed and laughed
because I was sure that I was crazy, this could
not be happening this thing in front of me
Lucifer was claiming to be God, he grabbed
my hand and my life was cut short *“Child you
have to understand”* he said: *“I don’t have
much time can’t you see that I’m different, I
am getting sad with you.”*

He found a way to make it happen and *“if I’m
gone there is no way to save you, see through
the lies and believe me here”* The whistling
was he was coming closer, he squeezed my
hand with profound urgency and pleading
eyes.

What ever made me say the next word has changed my life forever. *“Okay let’s say that I start to believe you and how you help me”*

What is happening, the wind picked up suddenly I saw he was happy he said: *“Not here, I will explain tonight in the dream, tell no one where you’re going don’t even think about it in your mind, he is everywhere”*

He disappeared, I was left alone once again thinking that I was sad imagining things the red mark on my hand, I suddenly remembered about my mummy and I checked the time I was surprised to see that too no time had passed and some how.

At that night in my mind I decided that I couldn’t hear any more so I found an excuse to cut the conversation short and put a film on.

A couple of hours later I said goodnight to my mummy and headed up to my room, the time was almost midnight and I made sure that my mummy and dad would went to bed.

I waited a bit until they had fallen aslepp and I got ready to make my way to the dream, I was terrified but determined to find out what was going on.

I said: okay Lucifer I whispered, as I got into the dream and you have my attention, as I falling into the darkness I was sure that somebody was following me I choked it up to my nerves and I move on and I was wondering where I am going to reach and what he was going to tell me.

I reached somewhere full dark and all my nerves and agitation and disappeared, I can see some candles soft warm glow that made me smile, I scanned the room with my eyes until I found him and that's when my smile disappeared. He was hiding in the corner visibly shaken and I could see a slash on his right cheek, what made more of an impression on me was that once again he looked beautiful and a lot more

tired, I approached he with caution and I
whispered his name, he suddenly looked up
and I noticed his eyes light up seeing me,
*“oh I’m so glad it’s you I was scared that he
had found me again oh you’ve come closer I
need to tell you everything before it’s too
late”*

The way he said my name made me shiver the
familiarity struck me and I felt that I had seen
this before, for the first time since I first saw
him I felt like I really knew him, he caught up
with my change of demeanour and he came
closer here;

*“so you start to remember I was hoping we
would not have this conversation again no I
was hoping that I had managed to keep you
safe”* I held his hand and I tried to concentrate
but I couldn’t

“please tell me what is happening dad.”

“yes this all seems familiar but I can’t piece-

anything together.”

He smiled softly that warm knowing smile and he started his story; “My father created me and I were powerful beings and when I gladly helped father to create the rest of the world after I had finished father was content but I felt empty here I have felt that this beauty and this creation went underestimated, I felt I needed to create more so I did it, I created you, I knew father would never approve as he wanted to be the soul creator of everything in the universe you see father was loving but with in limits and you had to obey his rules. Believe me if you were truly happy but one day the inevitable happened you called me God a word. I begged him to spare you, I begged him to take it out on me to leave you my children alone any promise that he would even if I grave up my heavenly riots and walked out of heaven once and for all he promised that he would allow you to keep-

living, I had no choice and I laughed but father was cruel, yes he kept you alive but at anted your existence, he made you miserable, he made you believe that he had created you and that he owns you he made you hate me and promised him, if you have to understand you never deserve this humanity never dead, you did nothing wrong and the books and the teaching everything is a lie”

I was crying my eyes out my memory was still hazy but I was believed that this was true, how did I get here I managed to ask, how can I be alive, it's that true?

I started believeing him, I started worshiaping him, I started listening to his lie.

I started reading tarot cards, Meditating every night speaking to the enemy in every nights.

The Black candles, I started reading the tarot cards, cutting My own hand and drinking my own Bloods, speaking negatives, speaking to dead people's and my room change into darkness. Spending time in cemetery for Destroying the fear in me. I started to speaking with the dead people and I Saw the real hell.

My Life totally changed into the darkness.

Contract with the Devil

With my friend I went to a home and the people had been transformed in to a ritualistic chamber, I dressed for a serious witchcraft ceremony. When I enter to the room and I saw, Flickering candles cast mysterious shadows on the walls, and tree branches covered the floor, one for each of the initiates to siting on the floor. Two or three dozen roosters squawked from a makeshift cage in the corner of the room. The music got louder and the songs more intense, and the lyrics like inviting the devil to come as the hours ticked toward midnight.

I felt the presence of demons in front of me, so thick I could almost touch it. When the drumbeats reached their fullest a heavy presence beyond human comprehension descended on the room.

A serious witch cut my flesh. As my blood ran, I knew the contract was beings and I felt the presence of the enemy in front of me.

On the next morning I woke up, very badly and I walk into the bathroom. I am trying to open my door, It was still dark out and very quiet, I just look my face in the mirror. The face that stared back at me was the face of a new person, a new man. The black eyes that gazed from the reflection were eyes I had never seen before, I see demon in me.

I was committed one and another one.

My family all became a believer, believing in Jesus but I was not.

I need the devil permission to enter the church.

Arriving at the hall and I meet a brother and, I was introduced to people on my right and people on my left, all sincere-looking folks.

After that brother Anosh he turned and he said to next person *“Hey this is my brother”*

They smiled. *“Nice to meet you, Sterry. Welcome to the youth meeting”*

I gave them a smile and just said, *“Thank you.”*

No one seemed to notice how I was dressed. I had come in solid dark clothes, so that the power of demons could protect me from anything that was there.

“After a break”

After then he turned to a Pastor *“Hi, Pastor this is Sterry”*

When I went to shake hands with him, the pastor said, *"I know your father. I've seen you before. I know you."*

"Well, I don't know you," I said, trying to be run from him. He was stunned and amazed, and he kept repeating, "No, I know you . . . I know you."

A live band played. They were all skilled musicians with great voices, but their lyrics had to do with holy living.

When the singing paused for a break, I went to the back of church and I called the devil and I said: *"what's going on, these people are irritating me what should I do?"*

The devil said: *"Go ahead these people are weak they can't do anything, you are in safe now, don't give your ear's to them, they are liars."*

So I get mad on some pastors, I have to destroy them, One night I received an unexpected phone call from my brother

“Hey sterry, we having a prayer service in our house on Saturday night and we would like you to come. Please be here.”

“Well, what kind of meeting are you talking about bro?” I asked. *“Just some church youth members getting together to pray.”*

“Okay, I will try to be there.”

I knew this was my chance to confront that pastor. So this is my opportunity to get revenge.

My evil powers during the time I was at the gathering. How entertaining that would be. I would be in control of it all, and no one would ever know.

21

That Saturday night, one by one they came: smiles on their faces, God's praises on their lips. Men shook hands and clapped each other's shoulders while women hugged and kissed one another on the cheek. These people really loved each other.

They lived by a different Spirit, for a different cause, under another name, a man named Jesus. They said He walked on water, healed the sick, spoke truth, and died on Good Friday. No one from the religion believed anything like this. The principles and the devil just didn't teach such things, he said all this is a lie and these people are crying and shouting that Jesus is alive.

Who is Jesus? I don't know him!

I was about to lose my mind. Who did I really belong to? As long as I continued to be pulled by the devil and wooed by the light he tug-of-war-

would not let up. I knew I had to get rid had to get rid of everything in my apartment that kept me tied to the religion and its demons.

Great Copy cat

One of the ways that he does, he's so effective a as he can mimic, certain of the operations of the Holy Spirits because this will probably turn into a long discussion.

CHAPTER TWO

BORN IDENTITY

I learned about astral projecting, I was leaving my body in my home and I move to regions. I started reading the satanic Books but I never read the real truth.

The Satanic Temple in San Antonio

I was connected with them, magic spell's and tricks. They were starting a new church in Texas and They don't know about me or anything. But we was connected too close.

We were moving togther and My job was paralyzing all Christian church and get more people In Texas and kochi.

We leave our body at home, and we move to region to spark round to curse the dark side, to curse the neighborhood, throwing the spirit of murder, the spirits of Drugs, home sexual, demonic spirits, alcohol spirits, suicide spiritsum etc.

I changed my born identity I dress up that I feel that I look like a devil.

I was Loving the Halloween and festivals, the devil spoke "*Here's my church. You can have it, these people are sleeping*" Demonic rituals or human sacrifices that the people are on safe ground, but they don't know that as soon as they dress up, whether the colour when they put on a costume, the enemy owns them, Because by doing they have turned over legal rights and they have dedicated themselves and kids to celebrating the devil's holiday.

They have just made a pact with the enemy and they are already sacrificing their children's spiritual by dressing them up and changing their identity.

"So I changed my own identity"

"What's identity?"

It's a sense of self and a sense of worth, what makes you feel significant, what makes you confident of your value and if you have a sense of self and a sense of worth.

We say you've got a real identity, it's an illusion to say that my identity comes from my inner feelings, people say all the time this is who I am.

You decide who you are! When you make anything your identity, when you make a career identity or a particulate body or a particular love relationship your identity, those things stop being good things and they start to crush you.

It's crushing it's absolutely crushing, you know many christianity says, *"we're not really proud of having money, we're proud of having more money than the next person, we're not really proud of being smart, we're proud of being smarter."*

If you are the best violinist in your little town in India and then you go to Cochin city and you realize the person, who's playing the violin and begging and people are put throwing some money in the in the violin case is better than you and suddenly that high self-esteem you had because you were the best violinist in your town, goes down into the toilet, why because ultimately any identity that's achieved rather than received has to be excluding in other words you feel better because, these people aren't as good as you, these other people aren't as enlightened as you, these other people aren't as liberal as you, these people aren't as conservative as you, these people aren't as hard-working as you, these people aren't as insight full as you. That's how you feel good about yourself by looking at other people and just trashing them and that's how it's going to work so what kind of identity do we need!

You can't take yourself and bless yourself and name yourself, you need recognition, you need somebody from outside to come in and speak to you.

I know some peoples said “*no, no we don't need that*” we're social beings, we're realtional beings we have to do that, even when I see people online say's “*I have done this and my families rejected me but I know who I am*” and this is who I am and suddenly thousands of people on social media are cheering them they just got, they didn't just say I have decided, who I want to be, no they have a new set of cheerleaders, they just took the old set of cheerleaders and just said forget it I want to be part of this set.

You have to have a word from outside somebody's got to name you and what kind of person should this be or what kind of people should this be, well you need the love and you need the approval and you need the-

esteem of someone you esteem if you're gonna have any self esteem.

The person whoever it is should not be someone who could ever let you down or disillusion you, if you get your self-worth from the Academy or from the art world or from individuals or from a loved one.

What happens when they disillusion you which they might where does your self-worth go, this also can't be a person who's fickle somebody who's up and down with you depending on how well you perform.

Think about this, if it's really true that the praise of the praiseworthy is above all rewards.

But you only have, if you have the esteem of someone you esteem, we have self-esteem only, if you have the adoration of someone who adores you.

Then to know that God loves you the Lord of-

the universe loves you, that would have to give you the most powerful, basis for a stable identity possible and secondly is it based on performance, if it's not based on your performance, it's not only stable but you don't need to look down your nose that everybody, else around you develops the excluding aspect of your identity goes away.

So how do you get that you're adopted into God's family so that's a new identity right?

You are a citizen of heaven – Philippians 3:20 that's the new identity right?

You're united to Christ that's the new identity right?

I just talked to myself about it like that it's kind of abstract but Jesus doesn't name us, simply by showing up and giving us a new name or saying your's mine.

He dies for us, so you lose the excluding aspect of modern identity, so you have-

something stable, so you know who you are, so you have an identity not achieved which I is crushing but it should received.

Hey you got to believe, he died for you , you said so I lay down my life for my city.

He doesn't just show up and give you a name, he dies for you. It's got to go your imagination, it's got to be the aesthetic core of your life.

You've got to learn how when you're struggling with what the culture says about your identity because you're not good-looking enough you're not smart enough you're not having enough transformative sex, you're not this year not that you've got to know, how to pick up to pull out your identity in Christ and push it to the top of the deck and you do that generally though imagination.

How are you getting through your imagination but Jesus Christ has done for you down to an aiming love in your heart.

The enemy wants to change your identity like a tattoo and there is it a chip!

One out of every four people is HIV positive, then we see the planet malfunctioning we're supposed to be rising in technology our life is supposed to be getting better but the very planet that is created in order to serve us is malfunctioning the air is becoming polluted, the water is becoming polluted the animals are dying and they are cutting down the rainforests they are destroying, forms of life and now we are getting strange forms of cancer other diseases other lumps, tumors and COVID 19, the things popping up in our bodies that we have never seen before and is happening all over the planet the world changes those who are connected to the electronic technology are put into a state of fear and images are being placed in front of their eyes as the images or symbols were before and these are connected to the Satan worshipers.

Don't be fooled and we are innocent people trying to look at the world and trying to understand that what is going on we see everything is moving toward the one-world state, one world police force, one world bank and one world selected elite that ruled over us not based upon the will of the people or democracy but rules over because of control of the bank, control of the economy and the flow of the money which is changing every day, changing from gold and silver to paper and plastic and now they are trying out chips, they're putting chips in somebody's head they tried it in Florida and if you can take anything from me don't ever let anybody put a chip inside of you

“don't let them do it for you”

A microchip and they say no, it can do you a lot of good.

If you're diabetic it will say you're diabetic,
but the problem we're facing is what else can
happen with that chip, what else can be done
to the chip and your emotions could be
controlled, your mind could be controlled you
could even be killed!

“don't let them do it you”

“you are belong's to Jesus!”

CHAPTER THREE

THE DEVIL'S LIE

Christians a real problem with the Devil. Understandably, Christians really do not care for the Devil and really have no use for Satan. However, the faith-based distaste for the Evil One is not what many way think. In fact, although well-intended, the emphasis some Christians give on the Devil may actually be Christianity's own undoing.

There are different significantly different ways of interpreting the presence of evil in this world. Some speak of evil in very ambiguous terms. Some think of evil in terms of actions and consequences. Still, others personify evil in a beastly form that walks about causing havoc. All these images and understandings of evil are well-grounded in scripture.

The problem with the Devil is the amount of power we unwittingly give to the prince of darkness. So often the Devil is spoken of in very human and tangible terms. Satan is personified as a being that moves about doing bad things and causing otherwise innocent people to make bad choices. Although this does reflect a Biblical narrative, it also plays into the hand of evil in ways that are frighteningly destructive.

The problem is that when Christians give the Devil a name, mentally dress him up in a little red suit, give him a pitch fork, visualize him running around messing with the world, and holding him responsible for the destructive choices that people make, Christians may actually be empowering evil.

Worse yet, if Christians ascribe to the existence of a supernatural being with that much power, we get dangerously close to belief in two gods—one good and one evil.

When Satan is a separate entity that causes all that is evil in the world, it is easy to prematurely absolve ourselves of the sin in our own lives.

Simply put, *“The Devil made me do it. Satan’s out to get me. It’s therefore not my fault!”*

It’s so simple. Blame is shifted to the one cast out from heaven and personal accountability is no longer necessary.

Why take responsibility for our behaviors, thoughts, choices, and actions when there Satan to blame? As long as the Devil is the bad one, it is easy to make oneself believe that the individual is innocent and everything bad or unpleasant in my life is the result of Satan’s attacks.

This is potentially dangerous thinking. Evil is very real, very present, and very much a part of our lives. Yet when Christians see ourselves as the unfortunate victims of the Devil’s mean ways, we can effectively declare Satan more power than us.

Furthermore, Christians can unintentionally blind ourselves to the real sin within our own lives by arbitrarily blaming the Devil for everything. Without naming and taking responsibility for our own sin, we will never overcome its destructive power in our lives.

While Christians must believe in and understand the power and presence of evil in this world, one must not believe in any perspective that places evil in a position of higher power than the power of our loving God. In fact, we are called to disarm the evil in our midst by taking responsibility for our own lives, accountability for our own choices, and responsibility for our own circumstances, and come to terms with the reality of our own sins. We are then to claim the power of God to overcome them.

The problem with the Devil is not that evil exists. Rather it is when we buy into the satanic lie that we have no power over that dirty old Devil. The power of the Cross is the ability to rise above the evil in this world and take control of our lives rather than be hapless victims of a stupid little guy in a red suit.

Satan is a murderer

The thief comes only to steal and kill and destroy; I have come that they may have life, and have it to the full.

John 10:10 - *“The thief does not come except, to steal, and to kill, and to destroy. I have come that they may have life, and that they may have it more abundantly.”*

Be self-controlled and alert. Your enemy the devil prowls around like a roaring lion looking for someone to devour.

1 Peter 5:8- *“Your total, complete destruction is the devil’s primary goal—his main weapon is to get us to believe his lies . . . many of which we’ll examine in the following weeks”*

There is no truth in Satan

You may have heard of the little boy who had trouble telling the truth. His mother was exasperated with him and often made him stand in a corner.

One day she asked him, “Son, what is a lie?” He replied, “Mother, a lie is an abomination to the Lord, but a very present help in time of need.”

Mark Twain said, “The difference between a person who tells the truth and one who tells a lie is that the liar has to have a better memory.”

Lying is popular today. That’s because we have believed the devil’s lie that truth doesn’t really matter. In fact, Satan has convinced many people that there is no such thing as absolute truth, so there can be no absolute lie either.

Satan’s dedication to lying is complete. His dedication to untruth is a lethal weapon he wants to use on us.

The devil is incapable of telling the truth – unless he can tell a partial – truth to corrupt the whole truth, or twist the truth to his nefarious purposes.

He twisted the truth when talking to Eve, as Genesis 3:1–5 clearly shows.

1 Now the serpent was more cunning than any beast of the field which the LORD God had made. And he said to the woman, “Has God indeed said, ‘You shall not eat of every tree of the garden’?”

2 And the woman said to the serpent, “We may eat the fruit of the trees of the garden;

3 but of the fruit of the tree which *is* in the midst of the garden, God has said, ‘You shall not eat it, nor shall you touch it, lest you die.’”

4 Then the serpent said to the woman, “You will not surely die.

5 For God knows that in the day you eat of it your eyes will be opened, and you will be like God, knowing good and evil.”

Satan said, in essence, “If you know good and evil, you’ll be equal to God.”

That’s like saying, “If you drink gasoline, you’ll be a car!” Satan twisted the truth, and so enslaved humanity from that day to this

The devil is ‘the father of lies’

In other words, satan is the chief liar, worse than everyone else; he is the true source of all lying. His lies have the power to corrupt and ruin lives.

Only when we recognize Satan’s lies and counteract them with God’s truth can we succeed in overcoming the awful effect of demonic untruth.

The enemy wants you to believe his lies. But keep in mind who the enemy truly is. In just three simple verses, Scripture gives us an accurate picture of his character, of his tactics, and of his goal.

His history tells us he is a murderer and has only one desire. In John 8:44 Jesus tells his followers, “You are of your father the devil, and the desires of your father you want to do.

He was a murderer from the beginning.” His strategy tells us how he intends to deceive us. Jesus paints a picture of this plan as he continues in John 8:44: “[The devil] does not stand in the truth, because there is no truth in him.

When he speaks a lie, he speaks from his own resources, for he is a liar and the father of it.”

Daily Common Lies

1. Satan's lie: "There are no consequences for sin."
2. Satan's Lie: "God doesn't love you. He doesn't keep his promises. You can't trust him."
3. Satan's lie: "If you go to church on Sunday, you're okay. You don't have to live right for the rest of the week."
4. Satan's Lie: "So what if that preacher doesn't preach the whole truth? He is so sincere. You can trust him."
5. Satan's Lie: "God just wants you to be happy. If it feels right, go ahead and do it."

THE TRUTH

1. God's Truth: "Do not be deceived: God is not mocked, for whatever one sows, that will he also reap." Galatians 6:7

2. God's Truth: "Let no one say when he is tempted, 'I am being tempted by God,' for God cannot be tempted with evil, and he himself tempts no one... Do not be deceived, my beloved brothers. Every good gift and every perfect gift is from above, coming down from the Father of lights with whom there is no variation or shadow due to change." James 1:13, 16-17

3. God's Truth: "But be doers of the word, and not hearers only, deceiving yourselves." James 1:22

4. God's Truth: "For such men are false apostles, deceitful workmen, disguising themselves as apostles of Christ. And no wonder, for even Satan disguises himself as an angel of light. So it is no surprise if his servants, also, disguise themselves as servants of righteousness." 2 Corinthians 11:13-15

5. God's Truth: "For you may be sure of this, that everyone who is sexually immoral or impure, or who is covetous (that is, an idolater), has no inheritance in the kingdom of Christ and God. Let no one deceive you with empty words, for because of these things the wrath of God comes upon the sons of disobedience." Ephesians 5:5-6

*Lies, whether directly or
indirectly from Satan, derail
us from God's best.*

CHAPTER FOUR

COPYCAT

*R*emember the kid on the playground that used to bug you (or your brother/sister) by copying everything you said? Even when you said "Stop copying me!" they'd giggle and say "Stop copying me!" which at that point would usually devolve into a fist fight.

We know Satan is a counterfeiter. We know he never had an original idea, except the one where he says he will exalt himself above God. (Isaiah 14:13-14). It may help to see through scripture exactly the difference in the language where God IS and Satan copies.

In Daniel 2:21 a God changes times and seasons. Just like that. "He changes times and seasons; he sets up kings and deposes them."

The Antichrist will SEEK to change times and seasons. (Dan 7:25). In other translations, it says he will think to change them, or he will try to change them.

"He will speak against the Highest and oppress his saints and try to change the set times and the laws.

The saints will be handed over to him for a time, times, and half a time." You notice here that Jesus HAS complete authority, and He DOES the act.

The antichrist/satan is given some authority, he TRIES to do the act.

Jesus, Is resurrected in Matthew 28:6, "He is not here; he has risen, just as he said. Come and see the place where he lay."

Antichrist seems to be resurrected- Rev 13:3, "I saw one of his heads as if it had been slain, and his fatal wound was healed. And the whole earth was amazed and followed after the beast;"

Jesus does miracles. Mark 1:21-28: "Then they went into Capernaum, and immediately on the Sabbath He entered the synagogue and taught.

And they were astonished at His teaching, for He taught them as one having authority, and not as the scribes.

Now there was a man in their synagogue with an unclean spirit. And he cried out, saying, "Let us alone!

What have we to do with You, Jesus of Nazareth? Did You come to destroy us?

I know who You are—the Holy One of God!" But Jesus rebuked him, saying, "Be quiet, and come out of him!"

And when the unclean spirit had convulsed him and cried out with a loud voice, he came out of him.

Then they were all amazed, so that they questioned among themselves, saying, "What is this?

What new doctrine is this? For with authority, He commands even the unclean spirits, and they obey Him."

And immediately His fame spread throughout all the region around Galilee."

Antichrist/satan seem to do miracles 2 Thess 2:9, "The coming of the lawless one will be in accordance with the work of Satan displayed in all kinds of counterfeit miracles, signs and wonders,"

such as this one in Revelation 13:13-14a: "He performs great signs so that he even makes fire come down from heaven on the earth in the sight of men.

And he deceives those who dwell on the earth by those signs which he was granted to do in the sight of the beast..." so the only miracles he does are those he has been granted the power to do and in a limited scope, at that, 'within the sight of the beast.'

God gives the breath of life, Genesis 2:7- "And the LORD God formed man of the dust of the ground and breathed into his nostrils the breath of life, and man became a living being."

The antichrist/satan are only granted the power to seem to give a breath of life and only to an image, not a person, at that: "He was granted the power to give breath to the image of the beast, that the image of the beast should both speak and cause as many as would not worship the image of the beast to be killed." (Rev 13:15)

Satan is of the vine of the earth (Rev. 14:19)
but Jesus is the true vine from heaven.

(John 15:1-2).

In summary, "For since the creation of the world His invisible attributes are clearly seen, being understood by the things that are made, even His eternal power and Godhead, so that they are without excuse."

(Romans 1:20). God's power is eternal, it has been seen to be so from the beginning. His eternal power is inside you.

"You are from God, little children, and have overcome them; because greater is He who is in you than he who is in the world." (1 John 4:4).

Satan is false. He only copies. Anything copied is not real. Make sure you remember where the real power comes from, Jesus.

Tap into His power through prayer and bible study, witness, and a straight walk.

Repent often, love much, and grow strong as the fruit of the True Vine. The harvest is coming.

Satan is indeed a copy cat! His false system of worship is Hollywood! he has set up idols that are humans that people worship!!!

He has a diet that he made up of junk food, MSG's, GMO foods, etc that kill the body, diseased meats and animal products when God gave us the diet of fruits, vegetables, grains, and seeds.

He has a system of music set up to mess up people's brains so that they won't think clearly and be more sinful, God's music, is heavenly, relaxing, not one with a drumbeat but with a melodious harmonic melody.

With the Pharmaceutical industry, he is poisoning the human mind, adults and children alike, He is so full of treacherous deceits, we must be in communion with God through prayer and thoughts always for protection from the enemy's tricks!

Satan is a copycat. In the Old Testament Satan bragged, "I will ascend above the heights of the clouds; I will be like the most High God" (Isaiah 14:14). Below are 19 examples of Satan's copycat imitation of God:

- 1.** Satan has a throne (Revelation 2:13).
- 2.** Satan has his own doctrines (Revelation 2:24; 1 Timothy 4:1; 1 Corinthians 2:10).
- 3.** Satan has a synagogue (Revelation 2:9; 3:9).
- 4.** Satan has a communion table (1 Corinthians 10:21).
- 5.** Satan has people sacrificing at his altar (Deuteronomy 32:17; 1 Corinthians 10:20).
- 6.** Satan has a counterfeit cup (1 Corinthians 10:21).
- 7.** Satan gives his doctrines to men to teach (1 Timothy 4:1).
- 8.** Satan is an angel of light (2 Corinthians 11:14).
- 9.** Satan has demonic and human messengers (2 Corinthians 11:13).
- 10.** Satan has a kingdom (Matthew 12:26).
- 11.** Satan does counterfeit miracles, signs, and wonders (Revelation 16:14; Exodus 7:8-12).

12. Satan has false prophets, apostles and teachers (2 Corinthians 11:13-14; 2 Peter 2:1; Mark 13:22; Matthew 13:38).

13. Satan has a city, Mystery Babylon, to oppose the city of God in New Jerusalem (Rev. 17:5).

14. Satan has his own harlot church, to counterfeit the Bride of Christ (Revelation 17:5).

15. Satan and his demons seek worship (Leviticus 17:7; Deuteronomy 32:17; 2 Chronicles 11:15; Psalm 106:37; 1 Corinthians 10:20; Revelation 9:20; Matthew 4:8-10).

16. Satan has his false Christ, the rival of Jesus, the Christ (1 John 2:18-22).

17. Satan has his own Trinity (Satan, the Antichrist, and the false prophet (Revelation 16:13-14; John 5:43).

18. Satan inhabits some human bodies, counterfeiting the Holy Spirit living in the redeemed (John 13:27 with 1 Corinthians 6:19).

19. Satan seals his followers with a name on their foreheads, which is counterfeit of God's name on His people's foreheads (Revelation 13:16 with 7:1-3).

"attacks faith"

"brings"

"persecution"

"brings sickness"

"dissension over doctrine and causes rifts"

"sexual"

"allurements"

"unresolved" anger"

"pride"

The enemy has a plan for your life: to steal, kill, and destroy.

God calls us to “Be alert and of sober mind,” watching out for the schemes of the devil who “prowls around like a roaring lion looking for someone to devour” (1 Peter 5:8).

The devil wants to devour our lives, keeping us from the joy of living in a relationship with Jesus.

Six Things the Devil Wants for Your Life

1. For you to doubt God

In John 20, the disciples shouted that they had seen Jesus raised from the grave, but Thomas' doubt kept him from believing in the miracle of salvation. Jesus appeared to Thomas and said, "Stop doubting and believe" (John 20:27).

When the devil tempts you to doubt God, don't let your circumstance determine your God; let your God determine your circumstance.

2. For you to live in fear

Fear is not the absence of faith, it is the misplacement of it. The devil doesn't want to rob us of our faith, he wants our faith to be in anything but God. Life in Christ is life not in fear!

Psalm 34:4 says, "I sought the Lord, and he answered me; he delivered me from all my fears."

3. For you to feel insecure

Don't let the devil tell you that you are unloved or not good enough!

You are God's handiwork and, in Christ, we are not only good enough, "we are more than conquerors through him who loved us" (Ephesians 2:10, Romans 8:37).

4. For you to avoid the church

The more uninvolved you become with the body of Christ, the harder it is to persevere in your faith. It isn't easy to follow Jesus in a world that doesn't. When we leave the community we were made for, we are destined to be devoured (1 Corinthians 12).

5. For you to be led astray

"Watch out for false prophets. They come to you in sheep's clothing, but inwardly they are ferocious wolves" (Matthew 7:15).

When we rely on the words of men or ourselves in place of God's Word, we can lead others away from Jesus and be led away from His truth ourselves.

6. For you to fail

The devil wants to destroy us. He wants us to settle for what the world has given us and accept our lots.

2 Corinthians 4:8-10 says, “We are hard-pressed on every side, but not crushed; perplexed, but not in despair; persecuted, but not abandoned; struck down, but not destroyed.

We always carry around in our body the death of Jesus, so that the life of Jesus may also be revealed in our body.” When you feel like you’re going to lose, take heart, Jesus already won for you!

Don’t want to be devoured? “Stop doubting and believe” (John 20:27).

Five Things I Know About the Devil

1. He is evil, wicked, calculating, and void of any good at all.
2. He hates God and God's image in this world and works tirelessly to destroy all that God created as good.
3. He hates you and me and all humanity because we are the crowning creation in God's world and we are His image bearers.
4. He is not equal with God but is created by God and under the ultimate authority of our sovereign Lord.

5. His destiny is eternal destruction in hell.

How Knowing the Enemy Changes Our Activity

Since I know these things about my enemy, I must now change my activity. I must live as if both God and Satan are real, but not equal.

I must pursue godliness, holiness, humility, and genuine love for God and neighbor.

I must be aware, sober, and vigilant in my struggle against the spiritual powers and influences I cannot see but I battle daily nonetheless.

I must always be on offense (living a life of worship and obedience to Christ) and defense (fighting temptation and the enemy by the power of the cross and the risen Christ).

I must avoid people and perceptions that would tempt me to compromise.

I must stay clear of scenarios that could lead me down a road of regret and shame.

I must read the Bible as if it is my authority, not a book of suggestions. I must pray as if my life depends on it.

There is too much to lose to live as if our enemy is not real, active and planning and plotting our destruction.

But it is insufficient to fight him in our flesh. We will lose every time.

Our victory is in Jesus Christ who is risen and coming again.

Rest in His victory and change your activity as if you serve the Most High God who will rule and reign for eternity.

Around with a Ouija board

"Yes, I played with one with a couple of my friends in middle school.

One night, two of us were staying over at a friend's house while his parents were out.

We decided to fart around with an Ouija board. We did it all up, turned all the lights off, lit a dozen candles, etc.

Well, we were just joking around with it and asking stupid questions, and of course, nothing was happening.

Finally, we decided to give it a "serious" try and calmed down. We asked "Are there any spirits in the room?" and all the candles went out.

No breeze or nothing, all the window shut, just poof they all went out. Naturally, this freaked us out, so we ran around turning on every light in the house.

I lived next door, so I noted the out and went home. They were pissed.

I'm sure there's a rational explanation for what happened, but tell that to a spooked 12-year-old."

"Once we asked the spirit to prove that they were there.

Then suddenly my closet doors violently swung open. Slamming loudly against the door frame.

No one was standing close enough to touch them."

I Reached In Hell

I was returning home from my friend's home on a midnight, I need to go through a dangerous neighborhood, which I usually avoided and I forgot to carry my phone that day.

As I started to walk those empty streets, I felt nervous, I was sure that something bad was about to happen, a long guy and a midnight walking on empty streets in a dangerous place, I was an easy target for everyone, as I was reaching the corner of the first street a couple of dudes appeared behind me asking if

I could tell them the hour, I froze for a second, I knew these guys didn't want another time.

I just told them that I didn't know when, I started to walk faster not a second pass before these guys grabbed me by my shirt and threw me to the ground, One started checking my pocket, the thing, I had on me was my uncle old smartphone.

They were clearly disappointed and the guy holding me started yelling "*what else do you have*" Full of fear and I replied

"nothing in it"

"don't mess with me, what else do you have"

Once again I replied "*nothing.*"

There are some seconds of silence the two guys, started at each other and that I mean oh damn!

I heard one guy say before, I heard a loud noise and everything went black. I'm in a dark place, I can't feel my body, I can't see or anything not even my own breathing and I start to walk around in sure obscurity, there are no walls, there's no roof or floor and no-

and there's no end.

I just walk, walk hoping that something happens and as I walk, I wonder where I am, the last thing I remember is going to sleep last night and I just think that, it's all a dream.

A weird a lucid dream and that I'm eventually going to walk back up, I keep going on with not actually worrying it.

I am sure that it's all going to be over soon, minutes past until, I see a grim light in the distance, I start running at the thinking this is finally the end of my dream and I can wake up to start to new one a rather boring day, as I get closer and the light grows brighter and brighter until the only thing I see is a white flash blinded me completely hit.

Suddenly everything goes black again and I wake up the first thing, I notice and this is not my bedroom and nor any place that I know, I'm laying on the dirt-surrounded by great dead grass, as I try to get up I notice that my body feels heavy here like if I had many bricks on top of my chest, after some struggle.

I get up and I look around, I see a Gray and a pea sky with no clouds and in every direction there's just more dirt, there are no terrestrial features whats over just an infinite plane of dirt in dead grass.

I walk and walk, minutes pass and I can't tell if I'm in a dream or not at this point and I can hear somebody talking to me from behind, I turn around and I see a Lady standing there and smiling at me, she's like 15 meters away from me, the hut tear runs down my face as I see her staring at me in an impulse of sadness and remembrance.

I run to hug her one more time but as I get close to her, she disappears, I fall down on my knees and I contemplate the nothingness in front of me completely confused as to what is going on.

Not long passes before I hear her voice again, she is there again in front of me but as I lift y head to see her, she is not the same.

The beautiful woman was completely disfigured.

I just knelled there staring at her in complete shock, while she just stares at me twist lea smiling at me.

Some seconds go by before, I start to scream and cry.

She also started screaming but with the deep evil voice her mouth opens wide and I see her jaw start to stretch too disturbing limits and before completely falling off her face.

She slowly started screaming and torturous ways before completely disintegrated and disappearing in front of me.

I never knew how she died, I never see her before. I noticed my surroundings, it wasn't in that infinite plane of dirt, I was inside of some cave.

It wasn't too bright it was dark either there is some grim light like candle lights, coming literally out of no where, I just lay there thinking where the hell.

I was and how I got there and I had given up my hopes that I would wake up, I knew this wasn't a dream but I just couldn't tell what this place was.

I started to hear sound, I looked around but there was nothing, I was completely alone in this place, I could hear many voice whisper to my ears but I couldn't make out what they were saying but that point, I was already paranoid.

I started to run but the voice's wouldn't stop.

I couldn't find anything, it was just an empty cave an infinite prison and I ran four minutes suddenly I wake up and I am in my room for a few minutes, I just think that what's going on. I stood up and I take some tarot cards and put a fire in the candle.

Then I started focusing on that I started reading. after an hour the enemy's presence came to my room, I was crying my eyes out my memory was still hazy but I was believed that this was true, I started believing the enemy's lie.

CHAPTER SIX

FEAR IS NOT AN OPTION

*F*ear is the one thing in life that consistently holds us back from achieving our goals and dreams.

When we live our lives from a place of fear, we are not able to access our potential, our inherent gifts, or the blessings that are meant for us.

This is why I wrote my 4 book's for people to eradicate fear from their lives have become a cornerstone of my work.

A life lived without fear is a life of authenticity and fulfillment, something all of us deserve and are capable of creating.

Fear is the wepon that devil using! Jesus Christ commanded the churches to ***fear not***, Fear is mentioned in the Bible over 600 times It's no small subject in the word of God, From Genesis to Revelation Abraham to John we hear commandment given over and over

fear not. That command was given to
Abraham, That command was given to Israel
that command was given to Moses.

It was given to David who ran from Saul for
years who lived in caves before he became a
king.

That command was given to Daniel who was
going into the Lion's Den.

That command was given to the city of
Jerusalem the angel Gabriel gave that
message to Mary to peter who was sinking in
the swirling tide of the sea of Galilee.

To Paul who had been on a ship for 14 days
and it looked like all would be lost, The
angel of the Lord appeared and said ***fear not,***
fear not, FEAR NOT.

Every time you see in the Bible ***fear not.***
Which is all over the Bible. ***fear not*** for I am
with you ***fear not*** for I am with you ***fear not*** I
am with you ***fear not*** for I will never leave
you nor forsake you.

That's the main reason that the Bible gives for us not fear is to know **God is with us** and that if he's with us

He loves us and he will take care of us that God says over and over ***fear not*** for I am with you.

Friends; Remember Not talking about not having the feeling of fear. we're talking about not letting it stop you

We can't live our lives in fear and dread of what's going on and what's going to happen.

Satan wants us to shrink back in fear and live little tiny useless lives. But **God** wants us to be brave and bold.

DO NOT BE AFRAID

Its is said in different ways different variations but it's basically the same thing *fear no,t do not be afraid, Be fearless fear not.*

Over and over again in different ways. God wants to say to us the exact same thing, in fact, it is so critical and so important to him that he gets to the New Testament and Paul writes a letter to a young man named Timothy and he says, This is what you need to know that he has not given us a spirit of fear He says of all the important things.

Timothy that you need to know in your life and in this ministry that God is sending you through as you go through things in this journey of life that you will inevitably

Go through and he said would you remember that what our God does not give is fear.

He gives power

Love and a Sound Mind

Fear is a real thief in our lives

The bible says Isaiah 41:10 – So do not fear, for I am with you; do not be dismayed, for I am your God.

I will strengthen you and help you; I will uphold you with my righteous right hand.

That's the only answer he gives because I'm with you and so if we really know who the Lord is I'm not talking about just going to church but I mean if you really know who the Lord is, Then we don't have to know what he's going to do.

We don't have to know when he's going to do it.

We don't have to know what the way is going to be. We just say Lord I know you're with me and therefore

I can do what I need to do Because when fear causes you to stop and to do nothing, it's the master spirit, I know that the enemy uses to try to keep us from fulfilling your destiny And so he tells us there's no way he says you got to be afraid of this, you know, If you failed before then you got to be afraid that you're gonna fail again, but God says *fear not* For I am with you. I love that.

There's nothing to fear.

Do not look around you in terror and be dismayed, you know, It's one of our problems.

We look around us too much instead of looking up. The more you stare at your problems, the more you rehearse your problems the bigger, they're gonna get.

Every time you go through something difficult. It makes you a little bit stronger Just a little bit stronger.

Fear is a fact of life

Fear of the future, fear of danger. Fear of the past. Others fear the loss of their job, the loss of your health.

There's sudden and unexplainable pain and it brings fear to your mind some of you fear the loss of position, the loss of self-esteem.

You fear failure, you fear the criticism of other people, you fear exposure, you fear being disliked, there's a fear of death. There's the fear of the unknown.

When the fear knock at your door send faith to answer and no one will be there.

The Bible says I will trust and I will not be afraid.

Psalm 56:11 – In God have I put my trust I will not be afraid what man can do unto me.

We have to understand that fear, first of all, is a demonic spirit it's not from God. I know that it's the enemy's favorite tool in his toolbox.

I just want to share my own experiences when I have done astral Projection.

One day I was moving to a city to curse the neighborhood, that night was a very bad day for me because I saw a few people standing in a circle and I was getting Fear. I can't make a move forward and their dress was so funny, but I know one thing that they are not a Satan worshipper.

But they have power because they were praying in the name of Jesus! And their word attacked me so bad and they were Increasing their faith in Jesus.

But I was worry and because I will get Punishment from the enemy side.

I am getting fear.

"I came back to my body and I started talking with the devil on my room, and the enemy came to me and he said "NO!!!"

"Don't do that."

"I ask him why?"

"I have more power and why this happened?"

Then he said; "you don know nothing, He said to leave them alone."

The Devil's Letters

There is one more funny thing that I found in a book the witch wrote like about Covid-19

From the book: The Devil's Letters to His Nephew (1942) "And how did you manage to bring so many souls to hell at that time? Because of fear. -Ah, yes.

Excellent strategy; old and always current. But what were they afraid of? Fear of being tortured? Fear of war? Fear of hunger?

No. -Fear of getting sick. -But then, no one else got sick at that time? -No. -Yes, they were sick. -I'm sorry. -Nobody else was dying? -Yes, they died.

But there was no cure for the disease? - There was. -Then I don't understand.

Since no one else believed and taught about eternal life and eternal death, they thought they had only that life, and they clung to it with all their strength, even if it cost them their affection.

(They did not hug or greet each other, they had no human contact for days and days); their money, (they lost their jobs, spent all their savings, and still thought themselves lucky to be prevented from earning their bread); their intelligence.

(One day the press said one thing and the next day it contradicted itself, and still they believed it all); their freedom (they did not leave their house, did not walk, did not visit their relatives.

It was a big concentration camp for voluntary prisoners!

They accepted everything, everything, as long as they could overcome their miserable lives one more day.

They no longer had the slightest idea that He, and only He, is the one who gives life and ends it. It was like that, as easy as it had ever been.

See, that's why I say **Fear not!..**

CHAPTER SEVEN

HOPE

“*ONLY* ONE HOPE”

"There is no door"

"There is no window"

"There is no gap" – IN HELL

Soul to the Abyss

On March-10-2020. The morning I was praying and My question was!

“Why God is not hearing my voice?”

“Why you are testing me so hard?”

“It's that Jesus alive?”

“Who is God?”

“Why you are not taking my soul?”

"I need to die, I don't want to stay here"

At that time there was a voice that:

“My child, I am coming for you and what you are going to do?”.

I was wondering and I don't know what's going on and my fear is getting bigger.

That night God caused me to fall into a deep sleep. In a deep sleep, I'm going upwards and I saw my body still on my bed, and I didn't experience like before when I done astral projection.

It was so fast, a different type of faster that has ever seen in the earth. And I can see full of darkness, I can hear some sound that disturbing me very badly. Suddenly my eyes opened.

When I open my eyes I saw full of Darkness. Only I can see a door, Walking deeper into the tunnel, I felt uneasy and the fear grew stronger, like no fear I ever felt on earth.

And I can see some skulls and I can see the fear on that skull, and when I was moving every single step forward, the ground was going upside down and I'm getting more fear.

Suddenly, the devil himself stood in front of me, he was looking features and deep red eyes. I noticed that his wings were stained and dirty.

As he spoke, in a demonic tongue “I have given you everything: Power, happiness wealth. he said in a deep, echoing voice.

I was like a father to you, and now you want to throw me? Don’t you know you can never leave me?” I couldn’t move. I couldn’t scream to save my life.

I replied: “No I do not belong here. I'm here because once I trusted you and I become a ghost and that's why I'm here but now I am not.”

He said: “Come to me and seat over here this is your kingdom.”

I replied: “No this is not true you are not a God, you are telling lie to me, and leave me alone there is a God living for me, the real-

God. And I need to go back.”

At that time I saw the enemy real face He tried to grab me, and he said:

“You fool,” laughing. “You can’t get away. You belong to me!”

“If you won’t serve me, then I’ll have to destroy you.”

As he went to grab me, at that movement “the cross upon me,” it was Jesus, immediately reached out his hand and took hold of me and the sound was like "WILL YOU BE MY CHILD." The sound is like a thunderand.

I said; “YES Lord”.

He lost all strength and power and fell to his knees. In shock at what had taken place, I can hear, that devil is crying and I saw the real hell but I didn't see, Jesus.

And now, I am standing In a Bridge and the bridge is like a cross, I don't know what to do next, I was searching for Jesus, but I am

seeing that lots of people are falling down to the hell, it's like a cave or a dragon's mouth.

At that time, there was a voice from a lady, I turn back it was an old lady and she is smiling to me, then she said:

"Go ahead There is a new life is waiting for you."

And one white door opened for me.

"I have lots of questions on my head but I was walking to that door" I didn't speak anything, It was something is controlling me.

I heard a song from a light and the light was coming from heaven and the song was like this:

"Hallelujah, he saved me From darkness to light, The one who holds my hands, Who is still alive today, King of the king, Still living today, I see the light that overcomes a thousand suns, Today I can see the same light in you, My Jesus is still alive."

When I entered the door, I thought I lost my eyes because it was full of white.

I can't see anything, "Walking deeper with a hope to come in reality."

Once again, I hear a voice:

"open your eyes, Sterry."

Suddenly my eyes opened and I saw my bedroom.

It was so quick that I came back to my life and I feel like that I'm in ICU.

After I wake-up I went to my Mom's room I touched them then I understand I'm alive.

After that movement, I took a paper, and I wrote:

"My lord I don't know what is going on now, but now I surrender. My life belongs to you Jesus forgive my sins I need you like my father."

Good morning to my family.

I said good morning to my parents, I started reading the bible and they were confused that what happened to me. On that night I spoke with my papa.

I ask a question, to my papa, when he while having the Alcohol

Me: "Pappa, may I ask you a question?"

Pappa: "Yeah sure, what is it?"

Me: "Pappa, Why you are drinking alcohol?"

Pappa: "That's really none of your business. Why do you ask?"

Me: "I just want to know. Please tell me, "I have a surprise for you!"

Pappa: "For My Happiness!"

Me: "Oh. (With my head down)."

Me: "Pappa, Do you believe In Jesus?"

Pappa: "Yes, Why you asked that?"

Me: "Because I didn't see that you are praying!, I'm seeing only that you are having the alcohol"

Me: "Why you are not active in the church's?"

Pappa: "The church people are fake and they don't know anything!"

I went quietly to my room and shut the door and, I started crying!!!

The Pappa sat down and started getting even angrier about My questions. "How dare he ask such questions, he saw Jesus? he confused."

After an hour, Pappa came to my room, and started to think: "Maybe there was something he really needed want to say."

So, he came and door opened it.

Pappa: "Are you asleep, son?"

Me: "No Pappa, I'm awake".

Pappa: "why you asked me this kind of question?"

I sat straight up, and start smiling.

Me: "Pappa, I was a drug addict and atheist for 5 years."

Pappa: " Are You Mad?"

Me: "No Pappa, I try to suicide on Feb 24th and On March 10th Jesus takes me to the hell after then I saw Jesus face to face on March 17th ."

Me: "I would sit with the Devil and talk to him like I'm talking to you today. It was that kind of communication. It was that kind of relationship."

Pappa: "Great hallucinations!!!"

Me: "No pappa its true Jesus is Alive!!!"

Pappa: "Leave me alone I don't want to here any comedy's now"

Me: "Pappa, don't drink alcohol It's not a drink its a body eating spirit"

Me: "Alcohol kill's our family Pappa!"

Pappa: "We have only one life & we need to enjoy that life, so don't waste your time in Prayer and he can't do anything!"

Me: "Pappa, The devil is a liar and he is the one making problems in our family"

Me: "believe in Jesus because he is the truth and he is the light"

Me: "The devil is under your feet Pappa"

"My pappa walks into the kitchen and he had Alcohol again and he said; All are fake don't believe anyone that saying about Jesus is alive, it's not the truth"

Me: "Pappa, the bible says on John 14:6 - Jesus answered, "I am the way and the truth and the life. No one comes to the Father except through me.

Pappa: "yes I believe in Jesus, but I hate the church people because they are fake!"

Me: "Pappa, *WHEN JESUS GIVES YOU A NEW BEGINNING. DON'T REPEAT THE SAME MISTAKES.*"

Pappa: "Okay, this is not the world that you are thinking, so go to your room and watch good Video's" "I went to my room and shut the door and again I started crying!!!"

MOM: "Hey, what happened?"

MOM: "what he said?"

Pappa: "Nothing he has some mental that's all"

MOM: "why?"

Pappa: "he saying that he saw Jesus"

MOM: "maybe it will be true?"

Pappa: "Okay, You just go and watch the TV and leave me alone!"

“After a few Minutes”

Me: "Satan maybe winning a bunch of Little battles right now, But make no mistake, God wins the war!"

Me: "My Lord Jesus is coming!" “They didn't say anything.”

*“I went to hell as a devil worshipper
and I came back as a Christian.”*

CHAPTER EIGHT

I SEE MY LORD JESUS

“March-17-2020” - I saw him face to face.

*T*hat night after reading the bible, I started praying like meditation.

The full night I will sit for pray, so I was praying and my words became silent and I can feel someone is behind me.

It's like a man, my door was lock and no one can come into my room, then I was so excited because I'm going to see Jesus now!, I know it's him, I opened My eyes and It was the enemy.

I thought that I am going to see Jesus, but the enemy stood in front of me, the devil himself.

The devil appeared for the second time, angrier than before, speaking to me in demonic tongues and telling me how he was going to destroy me.

“I have no plans of leaving you!”

I shouted "Jesus is my Lord, Jesus is my Lord!"

He pointed his long finger at me. "You liar!" he said in a screaming voice.

"No!" you are dead now, he said, with a voice echoing. "I'm going to keep you in hell with me so your body on earth won't wake up. You'll be pronounced dead."

I replied: " I showed my tongue and I said this the weapon that I used to curse the people and now I am using the same weapon to destroy you, Jesus is My Lord!"

"he vanished"

I was so sad that night, then I was going to sleep, before my sleep, someone is saying that "don't stop praying Pray, pray, pray, pray!.."

And I started praying, after a few mistunes, once again, I can felt that someone is behind me. but this time, I didn't open my eyes, I was saying that: Jesus is my Lord, Jesus is my Lord...

Then I can smell some fresh flowers and the light is increasing in my eyes.

I understand that my room is changing and I opened My eyes, I was not in my room I was in the top of the mountain and I didn't see this place before it was so beautiful lots of flowers and great light, I was running like a baby.

After a few minutes, I turned back, Oh my Lord Jesus, is in front of my eyes and he was shining and his hair is glowing and blue eyes he is smiling in front of me, I run to him and I hugged him, I started crying, I started talking to him I said:

“Oh, my God,” I said, my voice shaking.

“You are real and do love me. Despite everything I said against You, how I mocked You and laughed at Your church, how I ridiculed Christians, trying to break their faith, and recruited some to the dark side in spite of all this, You still love me.

Now, Jesus, I give my life to you. I will serve You instead of the demons, and You will be Lord over my life. You are the true God.”

I need my father. then he said to me: “I was there for you in every second, if you want to stay with me you can, but there is a new life waiting for you and you must go back,” and my head was on his chest and my eyes was closed and he shows me the visuals that going to happen in my life.

I was so happy and I saw a lot of people that listening the lie from the devil himself, and some people in the hospital, are going to die, they want to know that, who is God. And My Lord said to me: “Go ahead there is a new Life, “If you care my home I care yours”...

Jesus Christ has delivered me from the devil-worshipping. Never again to return.

Only GOD can turn a MESS into a MESSAGE, a TEST into a TESTIMONY, a TRAIL into a TRIUMPH, and a VICTIM into a VICTORY

Jesus Christ knew my address.

Grace and mercy were shone upon me that
night and I was set free, I was delivered from
the one who dragged me to an eternal hell,
Satan himself.

Jesus Christ took me out of eternal hell.

CHAPTER NINE

THE ANGEL IS WITH YOU

*T*he Angels, there's so much to say in the bible about angels. In this world have whole book shelves on demons and the occult and satan.

But I get hardly to find a book on angels and one day I went to try find some books on angels, I only found some demons book.

And I've asked myself, are angels in existence today?

Do they affect our lives?

Do they appear to people today?

John Paton, the great missionary to the new Hebrides. The people had surrounded the house one night and they were going to kill him. And they had their ammunition and their guns and their spears and all the weapons that they could find and they were shooting and throwing and suddenly they stopped and they ran.

And a few months later the chief was converted who had led the attack on the patons and they spoke about that incident, And the chief said:

“Where did you get all those soldiers that night?”

And John Paton said:

“We didn’t have any soldiers.”

“Oh yes, he said,”

We saw the soldiers surrounding the house with their guns.

And we were afraid and terrified at the number of those soldiers. Had God sent his angels o Protect his missionaries?

“Look Eddie Rickenbacker Story”

During world war ll, former president of Eastern Airlines and the greatest aviator I suppose in American history. When Eddie Rickenbacker was out on that life raft for so many days in the pacific and they were dying and they prayed, and a segull came from no here and landed on top of their head and he reached up and grabbed it and they ate that

seagull and that kept them alive long enough. Eddie Rickenbacker one day wrote that, Friends, I believe God sent an angel to keep us alive.

Is that true? Did God do that?

I'm not saying that these were angelic beings that came on those occasions.

I don't know but I know one thing that this book teaches from Genesis to Revelation the existence of angels.

There are secret agents here and the devil has his agents here and God has his agents. But all we're hearing about now are the devil's agents but God has agents that I want to talk about, the frustration and the depression that so many people are going through is Satanic and it's supernatural and we're involved in a Supernatural war and a supernatural battle is taking place, on this planet right now.

I think it's time for those of us that call ourselves Christians to major on the positives of the Christians faith.

The Bible says-1 John 4:4 “ Ye are of God, little children, and have overcome them: because greater is he that is in you, than he that is in the world. ”

We are not alone in the world, The Holy Spirit is here in mighty power to help you, to guide you, to lead you, to fill you, to anoint you, to guide you, to teach you.

But in addition to the Holy Spirit there are thousands and millions of angels at God’s disposal to send to help you in time of need.

The Jewish faith believes in angels, the Catholic faith, the Protestant faith. The old and the new testament all teach the existence of angels.

An angel appeared to Abraham, to Jacob, to Isaac and the angels appeared all the way through the new Testament.

And people ask me that what are the angels? Well, first, they are created beings. They are created by God.

The bible says “For he commanded and they were created”

Psalm 148:5 - "Let them praise the name of the Lord, for he gave the command and they were created."

And then the Bible says they are spirits, you don't see them and many times they appear in human form they take on human form to come and speak to someone like Jesus.

Heb 13:2 - "Be not forgetful to entertain strangers for thereby some have entertained angels unawares." Some of you have probably entertained an angel Some of you have probably entertained an angel and didn't know.

The Bible says they have no bodies but sometimes they take on the form of a body and then the bible says they have superhuman intelligence and power.

Now they don't know everything because the Bible speaks about things that angels desire to look into and the Bible teaches that the angels do not know the day.

Matthew 24:36 - "But of that day and hour know the no man, no, not the angels of heaven, but my Father only."

2 Peter 2:11 - “Whereas angels, which are greater in power and might, bring not railing accusation against them before the Lord.”

In Revelations it tells o the time when they’re going to lay hold on the Devil himself and bind him and cast him into the Lake of fire and we’ll be finished with the Devil.

Then the bible says there are a great multitude of angels, The Bible says they’re without number.

It says in Daniel 7, thousands of thousands ministered under him and 10,000 time 10,000 stood before him.

Figure out 10,000 times 10,000 stood before God.

Revelation 5:11 - “ And I beheld, and I heard the voice of many angels round about the throne and the beasts and the elders: and the number of them was ten thousand times ten thousand, and thousands of thousands”

The Bible says they have various ranks, Colossians 1, there are thrones and dominions and Principalities and powers.

The Bible talks about the voice of the archangel and the archangel is Michael and Michael is the only one in the Bible calls the archangel, that seems to indicate that he is in charge of all the angels under the direction of God.

They are highly organized and Gabriel is the only other angel that is named and he seemed to be a messenger of mercy and promise wherever he wants, whereas Michael seems to be the messenger of law and judgment and then what is the moral character of these angels?

What kind of beings are they?

The Bible says they're holy but some of the angels sinned against God and here we come to one of the greatest mysteries in the universe.

Where did evil come from?

Why do men lust and hate and have greed?

Unless you answer it out of this book, the Bible.

The Bible teaches that somewhere in the mysterious past which the apostle Paul called, the mystery of iniquity our rebellion took place in heaven and Lucifer, son of the morning Probably another archangel equal with Michael led a revolt against God and about the 1/3 of the angels revolted with him and they were thrown out of heaven and they landed on this planet, called the Earth.

It sounds Incredible.

Yeha, the angels all the way through the new Testament, they helped Peter get out of jail and they were with Paul, when he was out there that night in the deep “For there stood by me this night an angel of the Lord and said to me, fear not Paul.”

The Bible teaches that they're near in afflictions and temptation and disappointment and the moment you die, you are taken by the hand, by an angel and escorted into the presence of God.

You don't die alone. That's why it's so wonderful when a Christian dies, when a true believer dies because you go into the presence of Christ escorted by an angel.

Yes You Are Escorted By An Angel.

The Army Is With You, You Are Not Alone.

CHAPTER TEN

WE ARE IN SPIRITUAL WAR

*R*ight now we are in the midst of a supernatural war, this is a war between light and darkness it's a war between good and evil, it's a war between Christ and Antichrist.

This supernatural war, is they fight to the finish It's not until you get tired or you get weary. We're not doing this in Our Strength We're doing it in God's strength.

St. Paul gives this battle cry put on the whole Armour of God That is the command. It is not a request and it is for your benefit.

You will be strong in the Lord and in the strength of his mighty. He says you put on the full Armour of God so that you may be able to stand firm against the schemes of the devil. He says for our struggle that is not against flesh and blood But it is against the rulers against the powers.

Against the world force's of this darkness
against the spiritual forces of wickedness in
heavenly places He says so, therefore, you
better lay down all your earthly weapons that
do not work and take up some weapons that
will actually have Benefits in your life.

He says to take up the full Armour of God so
that you may be able to resist in the evil day
and having done Everything to stand firm.

He says you thought to just stand firm
therefore in this message this Apostle Paul
Introduces almost for the first time at least
this overtly he introduces the concept of
spiritual warfare Paul says endure hardness as
a good soldier of Jesus Christ Fight the good
fight of faith.

We're more than conquerors through Paul
says in Colossians 2:15 Jesus disarmed the
spiritual rulers and authorities. He shamed
them publicly by his victory over them on the
cross. The Bible says for this cause came to
Christ into the World to destroy the works of
the devil. The message is that Christ went to
the cross to defeat Satan Now the question the
point I'm-

making here is this you cannot believe in the redemption of the cross and not believe in the purpose of the cross and the purpose of the cross was to destroy a very real devil whose objective is to destroy you.

The Apostle Paul says you have an enemy and he's very very real and he's running on the fact that you will forget he is there.

There is a Satanic force in this universe. That's trying to deceive divided and to destroy and he's being far too successful and they'll never come a time in your life where Satan decides to leave you alone But the fact is the same Bible that tells you there is a real God Tells you there's a very devil with demonic forces highly organized totally ruthless Committed to destroying you and that this demon powers will attack your mind

and attack your body

and attack your marriage

and attack your Finances

and attack your children

and attack your relationship

and attack your church, but it's not your spouse Who is the problem there's an enemy, It's not your boss who is the problem.

There is an enemy. It's not even your own personal Internal turmoil, that is the main problem.

There is an enemy, who lives to stir dissension and division and to see jealousy and envy to cause you and me not to have any peace of mind and peace of heart and that the enemy wants.

But Paul wants you to know how strategic the enemy is all because he says listen the enemy is Scheming against you somebody says, scheme Satan attack you because you're God's child and he hates God's property, Satan will attacks you because you're the light of the world.

And his prince of Darkness, Satan will attacks you because you're the truth and he is the father of lies.

Satan will attacks you because you're a soldier of the cross and you're anointed. You have the word of God, you have to be covered

by the blood of Jesus Christ.

You can take the sword of the truth of God and attack the gates of hell. You're a threat to him.

You can only have one chance of survival, put on the whole Armour of God and fight back Take the word and take the blood of the cross and the authority of Jesus name.

Demonic goons back into the back alleys of hell because the victory is ours through Christ the Lord God has given you Authority use it so that you can have victory in peace in this life.

Paul says I'm gonna give you some weapons that work and he gave us Traditionally people say six, but really, I believe there are seven pieces of Armour.

I want to tell you briefly what they are He says you need to make sure that you stand firm in verse 14 gird your loins with the truth He says then you need a breastplate call righteousness, but he doesn't stop there.

He says you need something for your feet They better be shod with the preparation of

the gospel of peace.

Then he says you need a shield and it's called faith. He says in verse Eph 6:17.

You need a helmet you need something to guard your mind You need a helmet called salvation and you need a sword of the spirit which is the word of God and while most people stop there the Apostle Paul does not He says even though these six things are important.

You need one more thing there is a word in the bible, He says and Pray and so Pray if You want victory in your marriage Would you make sure you are a man or a woman of prayer if you want victory teenager in your high school or Student at your university then you got to become a person of prayer and If you say you want to live victoriously and abundantly and yet you don't pray then I don't believe you, Because prayer is how we live in the abundance of our God We need to realize that there's a spiritual realm that is actually Honestly more real and more important than this realm it's just that we ignore it because we can't see it But it's there we are in war We

are soldiers in the army of God and Jesus is the captain of the hosts He's given us his name He's given us his word.

He's given us his blood and when I finally began to learn when somebody began to teach me that The devil was behind most of my problems some of them I was creating myself, but the devil was behind most of them that I had authority over him God has given us weapons.

And he's given us Armour, So we need to know how to use our weapons and we need to make sure that we are wearing our Armour on a regular basis Spiritual warfare For spiritual people how many of you have had it with the enemy and you're ready to learn how to fight him and win the war.

All right Do it in God's strength be strong in the Lord say that with me be strong in the Lord be strong in the Lord.

This is God's fight. It's not your. It's God's victory it's not your. It's God's glory.

It's not your.

It's God's kingdom.

it's not yours.

it's God's Strength It's not yours.

Put on the whole Armour of God and fight to win because the victory is ours through Jesus Christ the Lord You can never exhaust God's resources You can never exhaust.

God's resources because he can do exceedingly Abundantly above all that you can ask or think you can see his mighty power But when he gets through he's not exhausted He has much more strength ready to give you from day unto day.

He can defeat any giant that's before you. He can produce streams in the desert. he can produce manna that will fall from the sky.

He can send cloven tongues of fire in the upper room. He can walk on the water in the sea of galilee and salvage you thing, that you think is about to destroy you.

He can use it for a Sidewalk to save you when you grow weary, he can make you to run like an elijah forty miles before the chariot when you grow faint he can give you strength he can send you power that you can't begin to -

touch You cannot exhaust God's power.

Our god is an awesome God he is full of grace and truth He is the almighty also the conqueror of death hell and the grave He's the conqueror of sickness and death.

He's the conqueror of powers and principalities he's the conqueror from Calvary. He is the lion of the tribe of Judah.

He is the Lord of glory and he is coming soon with power and great glory. This is about the eternal soul of men and women.

This is about our sons and your daughters
This is about the future of this nation It's time for those who name the name of God to suit up and show up This is a fight to the finish and I intend to win the help of Almighty God put on the whole of God and stand beside me and take the word of the wholeness of the father fight the good fight of faith Resist the devil and he will flee from you.

And for those of you who name the name of Christ Stop allowing Satan and his demonic goons to destroy your marriage Put on the whole Armour of God and fight back.

Quit allowing him to attack your health.

The Bible says by his stripes. We are healed
Quit allowing him to attack your finances the
Bible says God will rebuke the Devoured for
your sake he will make him give it back to
you sevenfold Stop allowing the devil to rob
you of your peace because Jesus Christ is the
Prince of Peace.

Stop allowing Satan to rob you of your joy in
His presence is the fullness of joy do you
want it then fight for it.

Do you want it then fight for it.

devil in his place”

CHAPTER ELEVEN

THE ONE AND ONLY LOVE

I found my soulmate, I found my one true love, I found my one and only forever and always, I found that in you.

God's Love For Us All

The Bible says God is love. Not just that he can be loving.

He is love.

God says, "To build a good relationship with God is a top priority for anyone believed in God; everyone should treat it as the most important task and as their major life event. Everything you do should be weighed against whether or not you have a normal relationship with God"

("How Is Your Relationship With God").

In God's word, we can see that it's quite important to have a proper relationship with God. So how can we achieve that?

Firstly, we must give your heart to God and make Him our sovereign, have a true prayer, and communion with God to gain guidance from the Holy Spirit.

The Bible says, "Keep your heart with all diligence; for out of it are the issues of life" (Proverbs 4:23).

Because man's heart is the temple of God, the most significant rule of practice is to quiet our heart before God in establishing a proper relationship with Him.

Secondly, we must often read God's word, fellow shipping about the truth and practicing it, and perform our duties well to repay His love.

The Lord Jesus said, "I am the way, the truth, and the life: no man comes to the Father, but by me" (John 14:6). God's word is the truth, which can guide us in our way.

Thirdly, we should set your intentions right in all things and accept God's observation, not thinking of ourselves, but obeying God's arrangement.

Setting our intentions right in everything is also significant to establishing a proper relationship with God.

Though many people follow God, few of them can truly act in accordance with His intention.

Many people believe in God with their own aims and intentions, and few can make them presentable before God and accept God's observation.

Take dedication and service for example. We know that genuine dedication should be established on the basis of repaying the love of God, and it is to willingly dedicate what we have, which includes money, time, our entire being.

But it's undeniable that we have much intent and impurity in our dedication. Take me as an example.

I pay tithes very actively after I see God's words which say, "Bring you all the tithes into the storehouse, that there may be meat in my house, and prove me now herewith, said the LORD of hosts, if I will not open you the windows of heaven, and pour you out a blessing, that there shall not be room enough to receive it" (Malachi 3:10).

This is because I think they should be paid on my own and because I should repay God for His giving them to me. And there's another hidden intention that I would be given more by God if I satisfied Him with enough offerings.

Like what Paul said, "I have fought a good fight, I have finished my course, I have kept the faith.

From now on there is laid up for me a crown of righteousness, which the Lord, the righteous judge, shall give me at that day" (2 Timothy 4:7-8).

I was all for Paul's word. I thought: What is it that I sacrifice and pay a little bit now if I can gain the glorious crown in the future?

I don't believe there are only one or two people who think so.

But we should also think over this: If our devoting, running around, and expending ourselves is not for performing duties as a creature, but for obtaining more grace from God, it is our deceit on God.

In this case, is there any meaning even if we paid a lot for the service of God? God looks into the bottom of people's hearts, so with such deceit, how can we gain God's approval? And how can we establish a proper relationship with God? Therefore, to have a proper relationship with God, it brooks no delay that we should cast all our impurities and incorrect intentions away in believing in God.

**A relationship with God,
it's an amazing thing.**

Our lives are shaped by those that love us and our lives are shaped by those that refuse to love us.

The sweets music that reaches to the highest heaven is the beating of two hearts that truly love each other.

To love abundantly is to live abundantly and to love forever is to live forever.

Love is the doorway through which the human soul passes from selfishness to service

“LOVE”

does that. The three most profound words in human speech is God is Love.

Love is more than the characteristic of God

“God is Love”

He does not try to love you.

He cannot help but love you because that's what he is.

God so loved the world that he gave his only begotten son that whosoever believed in him should not perish but have everlasting life.

God is love it is a concert that surpasses the knowledge of men.

Truly gifted

So many things that are so important first of all I don't want to lead them with the feeling of you being uncertain of your message he's never uncertain of his the message he's uncertain of himself and the reason he's uncertain of himself is that everybody in this world can see everybody in this world but they can never see themselves and so you're pastor can see everything but he can't see himself so when you can't see, that's why you have a mirror, because you can't see yourself.

The problem in life when you are truly gifted you can't see it and so the frustration is you're trying to manifest your gift and you are manifesting your gift but you don't know that is your gift because your gift is your normal people.

Because Jesus Love's you more than everything.

For God so loved the world that he gave his one and only Son, that whoever believes in him shall not perish but have eternal life”. - John 3:16

I have loved you with an everlasting love.- Jeremiah 31:3

Jesus Takes Care

“I will be with you”

- Isaiah 43:1

“I will deliver you”

- Psalm 50:15

“I will watch over you”

- Psalm 32:8

“I will listen to you”

-Jeremiah 29:12

If you trust, He takes care!

Become proud - He dismays! He punishes His
enemies - They will not go free! Ignore God's
commandment And then you will see!

He's patient! He's powerful! He walks on the
clouds And when He is angry He thunders
right loud!

No one but our God Can e'er be called good
No, not even one of us On this side the flood!
Evil in thinking! Wicked in work! Unkind to
our elders We behave just like jerks!

And yet, when we bring home Our chickens
to roost We yell and protest that Someone's
picked our goose!

The fat feathered nest-egg We stole and set by
Is sitting on a warm plate Mash and gravy
nearby!

Do good! - It'll attend you! Plant peace, and
make pies! Give alms to the needy, and You'll
reap twice by and by!

God's love is a vast ocean God's grace is
deep-sea God's power is infinite Yup! It's
even bigger than pi!

Knock - He'll answer you Speak, and He'll
hear! Pray, for His comfort Is near and ready
to share! Don't worry about the dirt The
desire, the despair Reach out to King Jesus
And you'll know that He cares!

Jesus Christ in you

The Devil understands, the authority of Jesus
Christ in you.

Because your Lord Jesus Christ is alive inside
of you, you have the power and authority to
resist the schemes of the Devil.

You are empowered to overcome the devil's
attacks! and You don't have to search far and
wide for your weapons.

You already possess everything and you need
to overcome evil!

CHAPTER TWELVE

A NOTE FROM THE AUTHOR

*O*n March-10-2020, I Spiritually passed away late at night on my bed and I reached in hell as devil worshipper on that day the Grace and mercy were shone upon me that night and I was set free, I was delivered from the one who dragged me to an eternal hell, Satan himself.

Jesus Christ took me out of eternal hell.

And I came back as a new Christian

As he journeyed, he came near Damascus, and suddenly a light shone around him from heaven.

Then he fell to the ground and heard a voice saying to him, “Saul, Saul. Why are you persecuting me?” And he said, “Who are you, Lord?” Then the Lord said, “I am Jesus, whom you are persecuting.

It is hard for you to kick against the goads.”

So he, trembling and astonished, said, “Lord, what do you want me to do?”

Acts 9:3-6

With that, I made a clean getaway through the cross of Jesus Christ. That was how I was delivered from the one who was dragging me to an eternal hell—Satan himself.

THE ENEMY TOLLS

Here are some other gateways that the enemy uses to keep you away from God’s best.

Many of things listed below are activities people engage in even as children or teenagers thinking they are just INNOCENT FUN.

I need to tell you that, there’s nothing innocent about them.

Take part in any of the following and you are playing with fire and propping the door wide open for the enemy’s activity in your life

- Mediums, psychics, fortune-tellers
- Tarot card readings
- Seances
- Horoscopes
- Paranormal phenomena
- Talking to the dead
- Seeking after ghosts
- Playing with Ouija boards
- Watching horror movies or television shows
- Listening to music with lyrics of profanity.
- Murder, suicide, etc.
- Pornography

These are the devil's weapon of mass destruction that he uses. Satan has a PhD in capturing your imagination. Once he has a hold of that, he then takes control of your life and owns it. IN his timing, he will take your life out. He starts with your imagination and won't stop there. It will become a ripple effect into your family.

Have you ever heard someone say. “My pappa was a witch and he is an alcoholic, and his pappa was too” Why do you think there are so many generational curses, so much sickness, and so much destruction with in families? That was never God’s intent for our lives.

I am warning as a watchman on the wall is this: stay way from these things!

Things That God Hates

Mediums

Leviticus 20:27 A man also or a woman that has afamiliar spirit, or that is a wizard, shall surely be put to death.

Leviticus 19:31 Regard not them that have familiar spirits, neither seek after wizards to be defiled by them. I am theLord your God.

Witchcraft

Micah 5:12 And I will cut off witchcrafts out ofyour hand, and you shall have no more soothsayers.

1 Samuel 15:23 Rebellion is as the sin of witchcraft.

Galatians 5:20-21 The deeds of the flesh are . . . the worship of idols, witchcraft . . . those that practice such things shall not inherit the kingdom of God.

Magic

Acts 19:19 used And many of them which curious arts, brought their books together and burned them before all men.

Revelation 21:8 But the fearful, and unbelieving, and the abominable . . . and sorcerers [magicians, wizards] . . . shall have their part in the lake that burns with fire and brimstone.

Acts 8:9-13 A certain man named Simon, bewitched the people of Samaria with sorceries [magic], to whom they all gave heed. But when they believed Philip's preaching . . . the kingdom of God and the name of Jesus Christ, they were baptized [repented and turned away from sorcery].

Isaiah 57:3-4 You sons of sorceresses. Are you not children of rebellion, offspring of deceit?

Jeremiah 27:9 Hearken not to your sorcerers.

Revelation 22:15 Outside [the gates of the city of heaven] are the sorcerers . . . and anyone who loves and practices lying.

Speaking to the Dead

Deuteronomy 18:10-11

There shall not be found among you any one that . . . consults familiar spirits, or a wizard, or a necromancer [one who conjures up the dead].

Wicked Sacrifices

Psalms 106:36-37 And they served their idols which were a snare unto them. Yea, they sacrificed their sons and their daughters unto devils

Idols

Psalms 115:4-8 Their idols are silver and gold, the work of men's hands.

They have mouths, but they do not speak; eyes they have, but they do not see; they have ears, but they do not hear; noses they have, but they do not smell; they have hands, but they do not handle; feet they have, but they do not walk, nor do they mutter through their throat. Those who make them are like them. So is everyone who trusts in them.

Isaiah 2:8, 18 Their land also is full of idols . . . and the idols he [God] shall utterly abolish [destroy].

Deuteronomy 12: 3 Tear down their altars and smash their sacred stone pillars . . . chop down their idols so that they will never again be worshipped.

Judges 2:17 But the Israelites paid no attention to their leaders. Israel was unfaithful to the Lord and worshipped other gods.

Ezekiel 6:13 Then shall you know that I am the Lord, when their slain men shall be among their idols.

1 John 5:21 My children, keep yourselves from idols.

Jeremiah 2:8 My priests did not know me, rulers rebelled against me. The prophets spoke in the name of Baal and worshipped useless idols.

Astrology

Isaiah 47:11,13 Therefore evil shall come upon you. . . . Let now the astrologers, the stargazers, the monthly prognosticators, stand up and save you from these things that shall come upon you [God's wrath]..

Familiar Spirits

Isaiah 29:4 Thou shalt be brought down [God's judgment], and shall speak out of the ground, and your speech shall be low out of the dust as of one that has a familiar spirit.

1 Samuel 28:9 Thou knowest what Saul has done, how he has cut off [killed] those that have familiar spirits.

Isaiah 8:19-20 When men tell you to consult mediums and spiritists, who whisper and mutter, should not a people inquire of their God? Why consult the dead on behalf of the living? . . .

If they do not speak according to this word,
they have no light of dawn.

Devil Worship

Matthew 4:9-10 All this will I give you, the
devil said [to Jesus]. If you fall down and
worship me.

Then Jesus said, ‘Be gone, Satan, for it is
written: worship the Lord thy God and serve
him only.’ This is how the religion entraps
you —by using.

“The devil tolls to make you
believe those who practice it
 (mediums, spiritualists,
 fortunetellers)
are a part of Jesus Christ and
 His
kingdom. These are some of the
many tools the devil and his
 demons use.”

Life and Death

The Power of Life & Death after your word's.

proverbs 18-21, The tongue has the power of Life and Death. The stakes are high. Your words can either speak life or your words can speak death.

Our tongues can build others up, or they can tear them down. Just about everybody that you encounter is often going through something that may not be obvious from the outside, But they're facing a battle on the inside everyone that you come across.

Is facing some type of battle in their life.

I hope that you'll embrace, That you have no idea what God might do through a single word of encouragement, you have no idea.

How God could use you to offer someone hope to build someone's faith and I don't know about you, but there is so much negativity in the world today.

I can't open up my social media feed without being discouraged I can't read a news app without just being depressed I can't talk to people with all the heartbreaking news of the world without being disheartened and so many people in a polarized world can be so incredibly critical so undeniably hateful I think it's time that we as believers step in and lift others bring words of hope to bring words of encouragement because the words we speak are filled with power our words can build up or our words can crush in fact scripture says in proverbs 18:21 that the tongue has the power of life and death.

I want my words to build your faith to strengthen your confidence to believe that God is for you that he's with you, that he'll never leave you, he'll never forsake you, he's working in you if it were up to me I would encourage you and build your faith because everyone you see it's facing a battle that you don't know anything about the scripture tells us that life and death are in the power of the tongue, That makes total sense because if you'll just take stock for one second and look back over your life, I guarantee you that every one of us in this room has got at least one instant in our life where we know we have seen the power of the tongue produced death to relationship death to jobs how many people you know have been fired because of their mouth.

How many marriages have been destroyed because of mouth because of the tongue? So let's use our words to benefit us. Let's use our words to make the world around us better,

Let's use our words to make our relationships better.

Let's use our words to bring life to our marriage life to our kids.

Life to our jobs life to our minds life to our families speak words that edify speak words that build up to speak words that embrace speak words that forgive speak words that love speak words that heal words are full of Power.

They can heal they can wound, they can minister death. They can minister life.

They can encourage they can discourage they can build up they can read down People get divorces over words, Families have split apart over words people lose jobs over words people have insecurities and a poor self-image over words that have been spoken to them.

Word are containers for power and we need to

choose our words very carefully and it's time for us to step up to the plate and be accountable for the words.

That we allow coming out of our mouth No man can tame the tongue we need God's help So you want to pray every day for God to help you with your mouth.

Bible says Proverbs 12:18 the words of reckless the words of the thoughtless the words of the careless pierce like swords, they do more damage than we realize but the tongue of the wise does what it brings healing and so with our mouth, we can destroy or with our mouth we can heal we can bring life. That through Jesus, he can speak life where there is death.

He can speak Light into darkness, His word is more powerful than any other word any word that you've said to yourself any word that's been spoken to you his word His word overrides that and so we listen to his word

and we speak his word and then we believe his word and then we watch and we see what God does.

I am going to share my own experience

When I was in the hospital my church pastor Jaison and one brother came to pray for me, I was playing the game on my phone, my dad came and he said they are coming to pray for you then I start getting angry and pain, when they came I was turning around in the bed left to right and right to left and when they prayed for me I was speaking in the demonic tongue.

The reason why I Panic because they were spelling the word in Jesus' name.

This I wrote in my first book and this I told you that there is a power in your words. There is a life in your words.

WARNING HALLOWEEN

Do you have any idea that what you are giving to your kids to wear?

Do you have any idea what you are wearing?

I'm sure that you know that on October 31st Halloween night. Hundreds of thousands of children across America, dress in costumes which range from the cute and the sweet to the macabre and satanic, these children will go from door to door in the neighborhood yelling trick or treat and collecting as much candy as they can but let me ask you this where did the customs the rituals, the symbols of Halloween come from.

Why do we do the things that we do on Halloween night and why is it that when children approached a stranger's door that they yell out the words, trick-or-treat.

It's very important for parents especially Christian parents to realize that Halloween is not a Christian holiday in fact its roots go back to ancient paganism and the Celtic and druid beliefs that involved such things as

divination contact with spirits and even something as horrible as a human sacrifice.

Today the idea that Halloween involves good and evil spirits that are roaming about and actually are traced back to his ancient druidic belief.

Some important pieces of the puzzle the Druids and Celtic people were involved in really was a form of spiritism of contacting the spirits of attempting to appease or placate, the spirits so that the spirits would treat them in a good manner in the bible that God is very concerned about for example in Deuteronomy 18:10-11: Let no one is found among you who sacrifices their son or daughter in the fire, who practices divination or sorcery, interprets omens, engages in witchcraft, or casts spells, or who is a medium or spiritist or who consults the dead.

And of course, this is something that the ancient cells practiced as well, in fact, some of them would actually fall upon the graves in an attempt to establish contact with the dead and to get Divin Ettore or information about-

the future from the dead, very clearly we see that God condemns the practice that the ancient druids and the cells engaged in contacting the spirit world and attempting to contact the dead.

October 31st, I think it's very interesting that the very day that they celebrate as Halloween October 31st was the last day of the year in the Celtic religion either, a new year began on November 1st, and on the day before their new year, it was believed that the god of death or the god of the dead actually released the different souls of the good and evil.

The evil souls were ultimately decreed to go into the form of animals whereas the good souls were allowed to come back as humans in another word there was a belief in reincarnation but essentially the people believed that souls of good and evil spirits roamed about on this day on Hallows eve just before their new year began.

The specific customs Ghosts and witches' black cats Ouija board and various other-

forms of divination all are associated with Halloween.

Contacting the spirit world, Halloween back then was thought to be the very best time for contacting the spirit world because the evil that separated the material and spiritual world was thinnest at that time and in witchcraft today and that is why they celebrate October 31st as one of their most the terrible reality of witchcraft historically children as witches when we have this terrible reality of witchcraft historically as well as many people our own society today who are promoting and practicing witchcraft many parents don't seem to realize the implications of allowing their children to dress as witches,

God says about his people copying or emulating or imitating the ways of those in the occult,

Deuteronomy 18:9 - "When you enter the land the Lord your God is giving you, do not learn to imitate the detestable ways of the nations there."

In the new testament 3 John 1:11 - Dear friend, do not imitate what is evil but what is good. Anyone who does what is good is from God.

Anyone who does what is evil has not seen God.

I'm warning that Halloween isn't just about costumes

and candy there's a much darker reality.

"You have to be aware it's a curse.

You have to go back to the place where you started, that year that Halloween thing, the celebration when you started having that encounter with the dark side.

You have to go back to that same spot and renounce and renounce it In the name of Jesus Christ and ask God to forgive you from all so that God can have mercy and close that every door so your whole family can move forward with our Lord Jesus Christ,"

I'm sure that you will say that "No More Halloween!"

God is so good to me that's why I said to the Devil God Hasn't forgotten me; We've forgotten the good things God has done for us.

Does God Love Me?

The answer is in the Bible, God's word: For God so loved the world that he gave his one and only Son, that whoever believes in him shall not perish but have eternal life.-

John 3:16

I have loved you with an everlasting love.-
Jeremiah 31:3

Jesus died in our place so we could live with Him in eternity.

God demonstrates His own love toward us, in that while we were yet sinners, Christ died for us.

He rose again and still lives!

Christ died for our sins. He was buried. He was raised on the third day, according to the Scriptures.

Would You Like To Receive God's Forgiveness

We are saved by God's grace when we have faith in His Son, Jesus Christ. All you have to do is believe you are a sinner, that Christ died for your sins, and ask for His forgiveness. He knows you and loves you. What matters to Him is the attitude of your heart and your honesty.

We suggest praying the following prayer to accept Christ as your Savior:

Dear Lord Jesus, I know that I am a sinner, and I ask for Your forgiveness. I believe that You died for my sins and rose from the dead. I turn from my sins and invite You to come into my heart and life. I want to trust and follow You as my Lord and Savior. In Jesus Name.

Receive Jesus as Savior right now!

Jesus, I welcome you into my heart.

Jesus, you are the Lord of my Body!

Jesus, you are the Lord of my mind!

Jesus, you are the Lord of my emotions!

Jesus, you are the Lord of my will!

Jesus, you are the Lord of my spirit!

Jesus, you are the Lord of my everything!

I thankfully accept the gift of eternal life

that Jesus, in his immeasurable grace, has

freely given me. I joyfully receive the holy spirit, whom you

have sent, to strengthen me and teach me all

things. Lord, I thank you for making me your child. Grant me the grace needed to live my life for your glory and honor from this day forth. In Jesus' Name, Amen.

THE REAL KEY

Yes the real key! Put Jesus first, when you wake up, put him first, when you're tired, put him first.

When you've got so much going on and it's so busy and there's so much to do put him first.

The reality is that you can make it without the things that are stressing you out But you can't make it without Jesus, you've got to put Jesus first, before your job before your desires before your dreams put him first.

Jesus will be first one way or the other the bible says that one day every knee will bow and every tongue will confess that Jesus is Lord.

That means he is first everybody's gonna acknowledge it one way or another, so why not put him first today?

All authorities across the entire universe have to bow to Jesus Christ and as people fall into the ash heap of human history, so-called Jesus

Christ stands alone unrivaled, Unparalleled he is supreme and he is our purpose.

All things were created through him and for him put Jesus, first because I've come to tell you that when you put Jesus first. He's able to do a sudden and he is able to do a radical and a complete change. When you put Jesus first he's able to effect a fundamental change in your life, He's able to overthrow certain powers that rule the decisions in our ways of thinking in our direction.

When we put Jesus first, you will know how we are moving into the truth, what do you put your time into, if you don't have time to spend with Jesus, I'm writing and talking in regularly.

I'm no doing in occasionally. I'm talking regularly and you don't give him leftovers you give him the best.

Spend time with GOD, Put hi first in everything that you do and you know what some of the upside-down things in your life will turn right-side up.

A lot quicker than you think they will man does not live by bread alone but by every word that proceeds out of the mouth of God. Too many times we say these phrases we say lord I will make time.

No, we cannot make time or we say Lord I will fit you in.

No, we will not fit him in, let me say this instead of trying to fit him in or make time for him, why don't we give our time to him, you see there's a shift of thinking right there because either you hold on to time and you fit him in or you say, lord.

This all my time of the day 24 hours. I give to you that wherever I am whatever I'm doing Lord, you're gonna make a way that it doesn't matter if it's in the car or if it's in my work site.

Lord, I give my 24 hours Monday, Tuesday, Wednesday, Thursday, Friday, Saturday, Sunday.

I give it to you because this is what I know that Jesus said that if we seek him he will be near. That when we seek him we will find him that when we seek him he will reward us that when we seek him he will add all these things for us when we seek him, Matthew 6:33 "seek ye first the kingdom of God and all of these things will be added unto you"

In case you've forgotten this let me just remind you that you don't have to seek things and neither do, we seek God and he adds the things, Psalm 37:4 "delight yourself in the Lord and he will give you"

the desires of your heart, you have to open up your heart and ask Jesus to be your Lord and your savior Romans 10:9 “that id you confess with your mouth that the Lord Jesus” and believe in your heart that God has raised Him from the dead you will be saved Revelations 3:20 “behold, I stand at the door and knock If anyone hears my voice and opens the door, I will come in”

In another word Jesus Christ has to be received he's not gonna pus his way into your life, you're not gonna just change, Just because you in church doesn't mean you're a Christian but let me say one thing, sometimes we receive him but just a part of our lives, Jesus wants to take every part of your life.

We have to say Lord you are the minister of everything Lord if your kingdom comes it must control every part of my life and you would admit that even though you love Jesus you haven't really been putting him

first lately, there have been some other things that have been crowding ahead of Jesus in your life, he's been on your to-do list, but seems to get pushed further and further down depending on what else is happening in your life and you, it's time to take Jesus off the list and make him the center of your life, it's time to put Jesus first.

God wants to be part of our lives in every way, he cannot be a once a week commitment, he cannot be a tick box that we tick, he cannot be on the to-do list, Jesus is not just a religion, he's not just this symbol, he's not just the story or a subject.

He is a living God who desires a real relationship with his people and he desires to be part of everything that goes on in your life, the things that matter most need to go first and if you're putting Jesus first, then he's got to be at the center put Jesus first in your life and everything else will fall into place when you-

are our highest priority all of the others priorities will be taken care of because through you we have life Lord through you we have freedom from sin, through you of God your purpose for our lives and why you made us why we even exist can come to pass and you need to make a commitment today to put Jesus first, to follow him to have friendship and fellowship with him and ultimately to put your faith in him... Put Jesus first, what does that mean if I had to put something first here are four things, I thought would help if you put something first in your lives.

It means these four things number one, it means it a priority. It's a priority, number two if he's gonna be first in our lives he had to carry value above everything else, number three if Jesus is gonna be first in our lives he needs time and he wants resources and if Jesus is gonna be first in our lives, he's gotta become our passion, my priority I value him,

Lord I give you my time, you are my passion, make the things that matter most your highest priority do the things that don't matter later, you need to assess your priorities because many of the things you've been putting first are gonna matter the least but many of the things you've been that have mattered to you the least are gonna matter the most one day, we have to realize that everything that we have all our money all our possessions everything we have and I'm not saying this to be scary, I'm just saying it so we get our priorities inline I'm saying it to myself as well as you I mean, it could be gone in one hour.

So we want to make sure that Jesus is first and sometimes when we get too caught up in trying to make money how many people are working, two and three jobs so they can pay for a bunch of stuff that they don't even need. A bigger house a more expensive car this or that a boat a yacht or whatever and when-

you're on your deathbed you're not going to ask for your bank balance there's not one person in here that's gonna say bring my accountant I want to know how money I got in the bank, you're gonna want some family you're gonna want some people that love you, you're gonna want to have peace to know that you're, gonna meet with Jesus at any moment.

That's what we do when we establish priorities we put the things that should be in first place in their proper order so put Jesus first, to put him first we need to follow him, there is a benefit to following Jesus when we follow Jesus when we put him first when we follow his instructions where we go where he calls us to go and do what he instructs us to do, there's a benefit he offers more than you can currently hold and a way for you to learn how to hold even more If we're gonna put Jesus first in our lives you need to Love him, We've got to love him,

Luke 10:27 “these words you shall love the Lord your God with all your heart and with all your soul with all your strength and with all your mind, your love must not be mechanical your love cannot be religious when we say love the Lord your God love must come from your hearts must be real.

See here’s the things don’t grow distant from Jesus all of us have friends all of us have people that time in life has kind of gotten in the way and things have grown distant, maybe literally distant or maybe just emotionally or but don’t grow distant from Jesus.

Don’t grow distant from Jesus, you’ve got to seek him, he wants to be part of everything in your life, we’ve got to seek him Matthew 6:33 “but seek first the kingdom of God and his righteousness and all these things shall be added to you

Proverbs 8:17

“I love those who love me and those who seek me diligently will find me.

Isaiah 55:6 “ Seek the Lord while he may be found call upon him while.

He is near Hebrews 11:6 “he is a rewarder of those who diligently seek him.

What does this mean?

This means that we’ve got to make every opportunity possible to seek the Lord.

See if we’re gonna put Jesus first it means we have to follow him, we’ve to got to go where he goes, we’ve got to do what he calls us to do.

That means the following instruction, we’ve got to put his word 1 John1:1 “that in the beginning was the word and the word was with God.

Yes and the word was with God if you drop down to verse 14, it says and the Word-

become flesh and dwelt amongst us and he beheld his glory the glory as of the only begotten of the father in other words. Jesus is the word.

That when we put Jesus first we're putting the word first and what does that mean it means that the word becomes my final authority, it becomes the authority that I live up to, I'll be under this authority.

I'm gonna be under this word in other words. It's my final authority on you what that says about how I treat my girlfriend.

It's my final authority on how I treat my neighbor.

It's my final authority on how I do business. It's my final authority on how I give and how I serve and how I love my children's raise.

It's my final authority in how I deal with money. It's my final authority in how I treat my enemies.

What if we want a revolution to happen in our lives that brings change his word has to be my final authority I will live according to the word and this is the thing the word the bible says is light onto my path, in other words, it illuminates my future, when you put Jesus first it means to share him with others when you put your faith in him, it means to share that faith putting Jesus first means taking the step to make sure that you are all in Putting Jesus first means putting your faith in Jesus Jesus came and he died for our sin, he died for our shame, he took our sickness upon himself and he broke the separation between man and God that now whoever believes in him will have everlasting life.

It's the Jesus revolution, put Jesus first
Jesus is for you.

Testimony of John Ramirez

In every generation God has always displayed his awesome deliverance and transforming power. Evangelist John Ramirez is another example of God's mighty power to set the captives free. In his testimony, Author and Speaker, John Ramirez tells his true life story of how he was

trained to be a satanic cult (Santeria and Spiritualist) high ranking priest in New York City—casting powerful witchcraft spells and controlling entire regions.

Raised in an impoverished ghetto neighborhood, he grew up despising his father for his careless disregard of his family.

John learned to survive the cold, harsh streets of the South Bronx. Looking for love and validation, he eventually found it in a new “family” of witches and warlocks who groomed him to become a high priest

in their occult religion.

His plunge into the dark side reached a boiling point on the night he sold his soul to the devil in a diabolical, blood-soaked ritual.

With renewed fervor—and the mark of the beast now cut into his right arm—he actively recruited souls into this “unholy kingdom,”

haunting the bars and clubs of NYC by night to find his next victims.

John’s life continued on this dark path until God intervened through a miraculous, larger-than-life dream, revealing Himself for who He really is and literally snatching John back from the grips of hell.

In a style all his own, John unfolds God’s enormous power through his powerful testimony and teaches Christians as well as those trapped in the occult how to combat the enemy and be set free. His remarkable story is told in the book *Out of the Devil’s Cauldron: A Journey from Darkness to Light*. This intriguing story walks you through the dark alleys of the Santeria cult while exposing hidden secrets of darkness.

Many have come to the saving knowledge of Jesus Christ by John’s real and true to life testimony. He is a sought-out speaker by many who want to hear of his involvement in the highest levels of the occult and how he finally came out.

People from all ethnic backgrounds dabble in the occult and fall victims to this satanic underworld and never see the way out. John Ramirez is one in a million who made it out.
